

5000H

Application

Automobile fuel tank, large size containers

Characteristic

Good impact strength, rigidity and ESCR and low parison sag. Large container for transport and storage of chemicals and water

Producer

Mehr Petrochemical Company

Extrusion Grades

Properties	Value	Units
Melt Index (190 ⁰ c/2.16kg)	0.03	g/10 min
Density	0.952	Kg/cm ³
MWD	Wide
